

GenCen Internships

Internships with a focus on gender, social justice, and environmental issues

Summer 2008 & Fall 2008

The Center for Gender in Global Context (GenCen) internship program offers internship coordination services and support to MSU undergraduate and graduate students. Students may elect to participate in internships linked to the Gender, Justice, and Environmental Change internship program, or to those formerly coordinated by the Women, Gender and Social Justice internship program. Through either of these programs students will intern with leading organizations working at the local, national, and international level on gender related social justice or environmental issues. The internships are open to students from any MSU department or college. Students will work supervisors from the host organization and from within their department or college during their internship, benefiting from their supervisors' experience and expertise in gender, environmental, and/or social justice fields.

Internship Details

- Work with the GenCen Internship Coordinator to find the right organization for you and to arrange for MSU credit
- Flexible schedules
- Fall and Spring internships are typically 10-20 hours
- Summer internships can be part-time or full-time
- Students can do international GenCen internships along with MSU study abroad programs
- Advanced undergraduate and graduate students are encouraged to apply
- Most internships are unpaid, however some offer work-study to eligible students. Students are encouraged to contact the GenCen internship coordinator to discuss upcoming scholarship opportunities.

Benefits

- Receive credit from your department of college for the internship
- Gain valuable academic and professional experience
- Find networking opportunities for your future career
- Organizations will involve students in interesting projects and programs not
